

Bluejay Diagnostics Regains Compliance with Nasdaq Minimum Bid Price Requirement

August 10, 2023

ACTON, Mass., Aug. 10, 2023 (GLOBE NEWSWIRE) -- Bluejay Diagnostics, Inc. (NASDAQ: BJDY) ("Bluejay" or the "Company"), a medical technology company developing rapid diagnostics on its Symphony platform to improve patient outcomes in critical care settings, announced today that on August 8, 2023, it received a notification letter (the "Notification Letter") from the Listing Qualifications Department of The Nasdaq Stock Market LLC ("Nasdaq") notifying the Company that it had regained compliance with the minimum bid price requirement set forth in the Nasdaq Listing Rule 5550(a)(2) (the "Nasdaq Capital Market Minimum Bid Price Requirement").

On October 25, 2022, the Company received a notification letter from Nasdaq notifying the Company that it is not in compliance with the minimum bid price requirement. To regain compliance, the closing bid price of the Company's common stock needed to be at least \$1.00 or higher for a minimum of ten consecutive business days. On July 24, 2023, the Company executed a reverse stock split of its shares of common stock. Subsequently, on August 8, 2023, the Company received the letter from Nasdaq that, based on the closing bid price of the Company's common stock having been at least \$1.00 per share for the required period, the Company has regained compliance with Nasdaq Listing Rule 5550(a)(2) and the minimum bid price deficiency matter previously disclosed by the Company on October 25, 2022 is now closed.

About the Symphony™ System:

Bluejay's Symphony System (the "Symphony System") is designed to address the need for simple, reliable, rapid, near-patient testing by providing quantitative measurements of specific biomarkers to determine the need for additional patient care and monitoring. The user-friendly Symphony System will not require any sample preparation or dedicated staff and was shown in published clinical studies to deliver results in approximately 20 minutes.

The Symphony IL-6 Test is a development stage product candidate for investigational use only. It is limited by United States law to investigational use.

About Bluejay Diagnostics:

Bluejay Diagnostics, Inc. is a medical diagnostics company focused on improving patient outcomes using its Symphony System, a cost-effective, rapid, near-patient testing system for triage and monitoring of disease progression. Bluejay's first product candidate, an IL-6 Test for sepsis triage, is designed to provide accurate, reliable results in approximately 20 minutes from 'sample-to-result' to help medical professionals make earlier and better triage/treatment decisions.
